

## **Special Needs Action Panel (SNAP) Central Beds**

SNAP Central Beds is a Parent/Carer forum who have children with Special Educational Needs and Disabilities (SEND),

- Our aim is to be the strategic, consultative and collaborative body within Central Bedfordshire representing families of children with SEND, providing a liaison point for Statutory and Voluntary Agencies within Central Bedfordshire.
- To work co-operatively with local service providers and commissioners to enhance and develop the range and quality of services provided for all children in Central Bedfordshire with SEND.
- To consult with, inform and train our membership in order to be an independent, parent carer-led body that determines and acts upon the priorities of its members.
