

POTTON PRIMARY SCHOOL

Newsletter 5th June 2026

Dear Parents/Carers,

From the Headteacher

I hope you all enjoyed the half term break and the beautiful weather we were lucky enough to have during the week.

It has been lovely to welcome the children back into school this week well rested and ready to learn!

This half term our teaching staff are focusing on transition and the structure of our classes for September 26. We have made the decision as a school to mix children up within each year group. I look forward to sharing with you the classes for September closer to our transition day on 9th July. We will continue to be a 14 class, 2 classes per year band school.

This week we had the Environmental Health Team in to visit our school catering kitchens. I am very pleased to announce that we were awarded a 5* rating. Well done and thank you to our amazing catering team from Dolce for their commitment and hard work.

Today we had the first of our two Dress Down Donation days. Thank you so much for all the amazing filled jars, these will be used on one of our stalls at the PTFA Summer Fayre. Remember next Friday is the second Donation Day, where we invite the children to come into school in their own clothes for a bottle donation.

A reminder that the Fathers Day gift shop will be running during the school day during the week commencing 15th June. If you would like your child to visit the shop to purchase a gift for a loved one. Please can you ensure you complete the form and send money in by next Friday 12th June.

Next Week...

On Wednesday next week our Year 5 children are off on their school trip to Knebworth House.

As mentioned above Friday is Dress Down Donation Day. If your child would like to dress down for the day we ask for a donation of something bottled - this could be, drink, shower gel, bubble bath etc.

On Friday Potton Primary will be hosting a Key Stage 1 Racket Skills Event on the Branches playground. We will be welcoming teams of children from other local schools to take part in this event too.

Finally, you may have noticed that we have a new increased security system when entering both of the school offices. When you come to the school site please can you press the bell symbol on the black panel outside of each office. Please can you make sure you are standing in front of the small camera on the unit this will ensure we can see you. The office team will then speak to you through the intercom and release the door to grant you access to the building.

Wishing you all a lovely weekend.

Kindest regards
Miss J Watts
Headteacher

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to build an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

SUPPORTING CHILDREN'S MENTAL HEALTH

10 Conversation Starters for Parents

Talking about mental health to children is sometimes hard. To the point that we can put off raising the subject, not wanting to unearth problems or raise overwhelming subjects that we perceive our child is too young or not ready for. But rather than keeping children in the dark, this guide is designed to help you confidently talk about mental health, so they feel comfortable talking about their own worries and end any stigma before it begins.

NOS National Online Safety
#WakeUpWednesday

- 1 LISTEN**
This sounds obvious, but it is not something we are always great at. Active listening is where we listen without interrupting or making judgements and shows interest in what is being said. If your child feels listened to in the 'smallest of problems' they will become confident that you will listen when the 'biggest of problems' arise.
- 2 ASK TWICE**
The campaign from time to change is great. <https://www.time-to-change.org.uk/support-ask-twice-campaign>. Be tenacious about your child's wellbeing. Children instinctively know when your questions and support come from a place of wanting to help and care.
- 3 THERE IS NO SUCH THING AS A STUPID QUESTION**
This advice also relates to the first point. If your child can ask you any questions about the smallest of things and you listen and answer without shaming or belittling, then they will have more confidence to ask the biggest of questions.
- 4 BE OPEN AND HONEST**
Children appreciate honesty, particularly if you are having to share information or talk about a difficult subject. For example, you may be talking about death or loss: 'It's very sad that Nana has died' or 'I feel sad that Nana has died'. How you talk about a subject will differ depending on their age and developmental maturity. Talking about death to a younger child for example will be different to that of an older teen, as their experience and understanding of death is different.
- 5 KNOW WHEN TO SEEK HELP**
Assess the severity of the mental health difficulty you are noticing. Is the difficulty making it hard for your child to function regularly throughout everyday life? How frequently is your child affected, how long does it last and how persistent is it? Are they having problems controlling the difficulty? Talk to your child about your concerns and that it is likely they will need further support beyond family and friends.
- 6 TALK ABOUT MENTAL HEALTH NATURALLY**
Speak about mental health as part of everyday life, so that talking about our feelings and those of others is normalised. If the usual 'are you ok?' is not creating an opportunity for dialogue then say something like 'I know when something like that has happened to me I felt like this... is that how you are feeling or are you feeling something else?'
- 7 EMPATHISE**
'It makes sense that you would feel this way, it is understandable'. Children often worry about things that we, as adults, might see as trivial or silly. However, for them at their age and stage it is a big concern and they need our kindness and care when they show their vulnerability and share their worries.
- 8 HELP YOUR CHILD FEEL SAFE**
Teens particularly feel that by talking about their worries or concerns that this will make things worse. Reassure your child that you will discuss a plan of action together and what may or may not need to happen next. If they are a younger child, it is likely you will need to lead the conversation and explain next steps.
- 9 MIND YOUR LANGUAGE**
Be mindful of the language you use at home to describe and talk about mental health. Stigma often arises from misconceptions and a choice of language which is harmful. Using the word 'mental', 'man-ot' or other such words in a derogatory way won't encourage your child to talk about their mental health for fear of being belittled.
- 10 IT IS OK TO SAY 'I DON'T KNOW WHAT TO DO NEXT'**
Adults do not have all the answers but often children think they do. It is ok to acknowledge that what your child is experiencing is not something you have come across before or know anything about, but that you will work it out together and seek help together.

Donation Day Friday 10th June

On Friday 10th June we will be having a dress down day where we invite the children to come into school in non-school uniform.

In exchange for coming in non-school uniform, we will ask children to bring in bottles of goods. These could be drink, bubble-bath, shower gel etc...

These donations will be used for stalls at the PTFA Summer Fayre. The proceeds earned at the Fayre will be used to fund a new Learning Pod for our EYFS classes.

Sandy Library Summer Reading Challenge

READ to the BEAT

The **Summer Reading Challenge** is an annual challenge run jointly by The Reading Agency and public libraries. This year the challenge is **Read to the Beat**, all about being musical and ties in with the National Year of Reading 2026.

It runs **Friday 17th July to Saturday 5th September 2026**.

Children are encouraged to read whatever they choose for the challenge, recognising the importance of reading for pleasure in increasing empathy and improving well-being, as well as in children's educational success. The theme this year is all about music! Children will be able to find books linked to their favourite creative arts, and access activities at the library.

The Challenge

- ❖ Children must be members of the library service. [Join the library here](#) or go to your local library.
- ❖ The challenge invites children to read six library books or more during the summer holidays.
- ❖ Children can borrow books or read our e-books, magazines and audiobooks available on our BorrowBox and PressReader app. [More about e-resources](#)
- ❖ Families can sign up for the challenge at any library, at any stage in the summer from Friday 17th July.
- ❖ Children are awarded a certificate and a medal for reading 6 books.
- ❖ Children completing the challenge (6 books) will be entered into a lucky dip at their library for the chance to win a £40 voucher for The Works to buy arts, crafts and books.

Struggle with reading?

We can help!

- ❖ For dyslexia, we have collections of shorter books, with special fonts and paper – and great stories.
- ❖ The BorrowBox app has special accessibility features, which allow customers to select font, background and font size.
- ❖ Picture books aren't just for toddlers! Libraries have collections of older picture books for young readers.
- ❖ Get hooked on graphic novels (comic style books).
- ❖ Learning to read? Select from beginning to read or short chapter books
- ❖ Booklists with lots of ideas available on our Virtual Library [Books and Reading - Children and Teenagers Pages](#)
- ❖ Some children (especially boys) prefer non-fiction. Dinosaurs, transport and space are particularly popular.
- ❖ Enjoy stories through audiobooks. Free to borrow on CD or download with BorrowBox.

All libraries will have [activities](#) for children available throughout the summer.

All libraries offer a **Treasure Hunt** to children when they complete the reading challenge
