

POTTON PRIMARY SCHOOL

Newsletter 12th June 2026

From the Headteacher

Dear Parents/Carers,

We have reached the end of another week here at Potton Primary. This week the children have been working hard on assessments with some classes continuing into next week.

On Wednesday this week our Year 5 children went to Knebworth House on their class trip. I have heard that they all had a lovely time and were awarded a certificate (below) for completing The Tudor Treasure Trail. They managed to dodge some of the showers to have time to play on the adventure playground and I am advised that all the children (and some of the adults) had lots of fun on the slides! Thank you to all of the adults that attended the trip and supported the children during the day.

Thank you for all the lovely filled jars from the Donation Dress Down Day last Friday and the bottles that have been donated today. These are all appreciated and will be used during the PTFA Summer Fayre on 11th July.

Another reminder please about parking. We are being inundated with complaints from local residents about people parking inconsiderately (i.e. blocking roads and driveways) and dangerously (i.e. on the corners of roads making it unsafe for other drivers to see past them or blocking access to roads making it impossible should emergency services need to get through) at school drop off and pick up times. As advised previously we have been contacted by the Council following complaints they have received and have been advised that this has been reported to Parking Enforcement teams to attend the site. Can I make a plea to make sure you are parking legally, safely and considerately during these times. I also ask where possible please do not use school car park as this is reserved for staff use and if no parking is available it means our employees are not being able to get into school in time to support the children as they arrive to school. Thank you in advance for your support.

We have lots happening next week...

On Monday our Year 1 children are going on their trip to Hertfordshire Zoo. The weather is looking to improve for their visit.

The Father's Day gift shop is running. If you have paid for your child to attend the shop they will visit the shop during the school day to choose a gift which will be wrapped and ready for them to bring home.

On Wednesday we have our Year 1 Learn Together Afternoon where we invite parents/carers into school to take part in activities with their children. If you are able to attend please can you let the school office know.

We have our next School Council Cake Sale on Wednesday after school, where our families from our Year 1 classes will be donating cakes to be sold. We hope you are able to attend this event and support the council by purchasing a sweet treat to enjoy.

On Thursday afternoon we are having our next SEND Coffee afternoon for parents/carers to attend.

Friday is Class Photo day. If you can please make sure your child comes into school in their school uniform on this day. If your child normally has PE on this day please could they wear their uniform but wear trainers.

Wishing you all a lovely weekend.

Kindest regards
Miss J Watts

The Childrens Commissioner's National Survey

RISE Attendance & Behaviour Hub Programme

Our school is taking part in the RISE Attendance and Behaviour Hubs Programme, a programme designed by the Department for Education to help schools improve attendance, behaviour and overall school culture. A research company called IFF Research is carrying out an independent evaluation of the programme. Your child may be invited to complete two short (up to 5 minutes) online surveys at the beginning and end of the programme, sharing their views on attendance and behaviour at school. We will manage their participation so IFF Research will not receive any personal data about your child. Their responses will be entirely anonymous, and their answers won't be shared with the school. Participation is completely voluntary. If you are happy for your child to take part, you do not need to do anything. If you would prefer your child not to take part, please respond by email to let us know. For more information, please see this [information sheet](#) which has more details on the evaluation and what this will involve.

If you have any questions or concerns, you can contact the IFF Research team at ABHevaluation.contact@iffresearch.com.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, tips and tips for adults.

What Parents & Carers Need to Know about AGE-INAPPROPRIATE CONTENT

"Inappropriate" means different things to different people. What's acceptable for one age group, for example, may be unsuitable for a slightly younger audience. Online, young people can chance upon inappropriate content in various ways - from pop-up ads to TikTok videos. The increasingly young age at which children become active in the digital world heightens the risk of them innocently running into something that they find upsetting or frightening. Trusted adults need to be able to help children be aware of what to do if they're exposed to age-inappropriate content.

WHERE IS IT FOUND?

SOCIAL MEDIA
Age-inappropriate content is easily accessible through many social media platforms. TikTok, for instance, is hugely popular with young people but is arguably best known for clips featuring sexualised dancing or profanity. Some social media users also express toxic speech or promote eating disorders and self-harm, which could cause lasting damage to a child's emotional and mental health.

GAMING
Gaming is an enjoyable source of entertainment, but many popular titles can expose children to inappropriate material such as violence, horror, gambling or sexually explicit content. Playing games unsuitable for their age risks normalising to children what they are seeing. Some games also include in-game chat, where other (usually older) online players often use language that you probably wouldn't want your child to hear or repeat.

STREAMING
The range of video streaming services available online means that users can find almost anything they want to watch on demand. Children are therefore at risk of viewing TV shows and movies which contain nudity, drug and alcohol abuse, explicit language and extreme violence. Unfortunately, these streaming platforms can't always determine that it's not an adult who's watching.

ADVERTS
Online adverts frequently include age-inappropriate content, usually through adverts for alcohol or cigarettes are also common. Some search engines also feature adverts that are responsive to your search history, so if you've recently looked up a new horror movie, shopped for lingerie or ordered alcohol online, then the ads appearing on screen could reflect this the next time your child borrows your device.

18 Advice for Parents & Carers

TALK IT THROUGH
Embarrassment or fear of getting into trouble can make it difficult for children to talk openly about age-inappropriate content they've watched. Remind your child they can always come to you if they're troubled by something they've seen online, without worrying about consequences. Before offering advice, discuss what they saw, how they felt and how they came to find the content in question.

CONNECT, DON'T CORRECT
If your child's been particularly distressed by exposure to content that wasn't suitable for their age, it's important to offer guidance to prevent them from repeating the same mistake, but it's equally vital to help them deal with the emotions that the situation has raised. You could tell them about any similar experiences you might have had at their age, and how you dealt with it.

BLOCK, REPORT, CONTROL
After discussing the problem, you and your child can take action together. This could include blocking any inappropriate sites and reporting any content which violates a platform's rules. To further safeguard your child online, set up parental controls on internet-enabled devices that they use. This will significantly reduce the chance of your child being exposed to age-inappropriate content in future.

GET SPECIALIST HELP
Age-inappropriate content can potentially have a negative impact on a child's mental health, which is sometimes displayed through changes in their behaviour. If the problem becomes more severe, you might consider reaching out to a mental health professional or an expert in this field who can provide you and your child with the proper support.

STAY CALM
Even though it's obviously difficult to stay rational in a situation where your child has been put at risk, it's essential to think before you react. Your child may well have hesitated to open up to you about watching inappropriate content for fear of the consequences, so being calm and supportive will reinforce the notion that it would be easy to talk to you about similar issues in the future.

READ to the BEAT

The **Summer Reading Challenge** is an annual challenge run jointly by The Reading Agency and public libraries. This year the challenge is **Read to the Beat**, all about being musical and ties in with the National Year of Reading 2026.

It runs **Friday 17th July to Saturday 5th September 2026**.

Children are encouraged to read whatever they choose for the challenge, recognising the importance of reading for pleasure in increasing empathy and improving well-being, as well as in children's educational success. The theme this year is all about music! Children will be able to find books linked to their favourite creative arts, and access activities at the library.

The Challenge

- ❖ Children must be members of the library service. [Join the library here](#) or go to your local library.
- ❖ The challenge invites children to read six library books or more during the summer holidays.
- ❖ Children can borrow books or read our e-books, magazines and audiobooks available on our BorrowBox and PressReader app. [More about e-resources](#)
- ❖ Families can sign up for the challenge at any library, at any stage in the summer from Friday 17th July.
- ❖ Children are awarded a certificate and a medal for reading 6 books.
- ❖ Children completing the challenge (6 books) will be entered into a lucky dip at their library for the chance to win a £40 voucher for The Works to buy arts, crafts and books.

Struggle with reading?

We can help!

- ❖ For dyslexia, we have collections of shorter books, with special fonts and paper – and great stories.
- ❖ The BorrowBox app has special accessibility features, which allow customers to select font, background and font size.
- ❖ Picture books aren't just for toddlers! Libraries have collections of older picture books for young readers.
- ❖ Get hooked on graphic novels (comic style books).
- ❖ Learning to read? Select from beginning to read or short chapter books
- ❖ Booklists with lots of ideas available on our Virtual Library [Books and Reading - Children and Teenagers Pages](#)
- ❖ Some children (especially boys) prefer non-fiction. Dinosaurs, transport and space are particularly popular.
- ❖ Enjoy stories through audiobooks. Free to borrow on CD or download with BorrowBox.

All libraries will have [activities](#) for children available throughout the summer.

All libraries offer a **Treasure Hunt** to children when they complete the reading challenge

Local Events

Hello from Eyeworth Village Hall!

Just to let you know that we have our annual family-friendly fundraising event taking place later this month.

We are inviting you to an amazing puppet show by the very talented, local puppetry & storytelling company the 'Theatre of Widdershins'.

'The Elves & The Shoemaker' will be performed on Sunday 28th June at 11am & 2.30pm.

This show is suitable for ages 3yrs+ & tickets are now available from: eyeworthvh@yahoo.com & are priced at £7/adult & £5/child.

Refreshments will be on sale before & during the performances.

This year, instead of holding our annual Family Fun Day we are celebrating our Hall's 70th anniversary on Saturday 22nd August with cream teas in the afternoon followed by a Barn Dance with bar & hog roast in the evening.

As well as the above, we have regular Aerial Yoga classes plus Fit Ball Pilates classes, Archery sessions, lots of puppy & ScentWork classes & soon-to-launch toddler & family foreign language classes & a monthly drum circle.

More details about the Puppet Shows, our celebratory events & regular classes can be found on our social media: www.facebook.com/EyeworthVillageHall

The soon-to-launch foreign language classes & the monthly drum circle will be advertised very soon, so give our page a 'like/follow' to keep updated.

We look forward to you joining us & thank you for your support!
