

POTTON PRIMARY SCHOOL

Newsletter 3rd July 2026

From the Headteacher

Dear Parents/Carers,

It has been a busy week here at Potton Primary as we head towards the last couple of weeks of term and there are lots of events and activities taking place. Please be sure to check the "Diary Dates" on this page to make sure you are aware of everything that is happening.

On Monday this week our Year 6 children headed off on their residential trip to Caythorpe Court. I have seen some pictures during the week and it seems like everyone has been having a great time. I am sure that they will return feeling a little tired and in need of a rest this weekend, and I am not just talking about the children! Thank you to the adults that attended for helping to make it a memorable trip for the children. Also a mention to the Year 6 children that did not go this year and have remained in school. They have all had a lovely week taking part in various activities like designing an island and having a film afternoon with popcorn today to finish off the week. Thank you to Mrs Lenton, Mrs Scammell and Miss James for working with the children during the week.

On Tuesday our Year 4 children showed off the Ukulele skills that they have learnt during their time with Miss Thompson to their parents and carers. I hope those of you that came enjoyed watching them perform.

On Wednesday we had our combined EYFS Sports Day and Learn Together Afternoon. I have heard that the children all did amazingly well and I hope that parents/carers had an enjoyable time with their children.

Next week, we have two Rocksteady Performances to parents. One is on Tuesday morning at 10:00am and the other is on Friday morning at 9:30am. The children have been working very hard in their bands, these performances are always great and those of you that are able to come will be in for a real treat.

On Thursday next week we have our Potton Primary Transition Day where your child will spend their day with their new teachers. Please drop off and collect your child from their current classroom.

Finally, a reminder that next Saturday 11th July is our PTFA Summer Fayre from 12:00-4:00pm. The PTFA have been working hard getting the event organised and there will be lots of fun to be had during the day. I hope that as many of you as possible are able to attend this event where we are hoping to raise enough funds to purchase a new outdoor learning pod for our EYFS classes.

Wishing you all a lovely weekend.

Kindest regards
Miss J Watts
Headteacher

WHY 'KINDNESS MATTERS' & HOW DOING GOOD DOES YOU GOOD

'WE MAKE A LIVING BY WHAT WE GET. WE MAKE A LIFE BY WHAT WE GIVE.'

SIR WINSTON CHURCHILL

THE FOCUS FOR THIS YEAR'S MENTAL HEALTH AWARENESS WEEK IS 'KINDNESS MATTERS'. IT IS AN OPPORTUNITY TO LOOK INTO THE BENEFIT OF HELPING OTHERS WHICH IS GOOD FOR IMPROVING OUR OWN MENTAL HEALTH AND WELL BEING. HERE ARE SOME IDEAS TO GET YOU THINKING.

ALTRUISM

Altruism is acting in someone else's best interests in order to improve their welfare. When we feel compelled to donate money, shop for someone, call a relative in need or help a neighbour, we are considering the needs of others even when we may not know them. Showing kindness like this, often motivated by empathy, creates a sense of purpose, making us feel good and developing our wellbeing. Children and young people can take part in altruistic activities at home or school. They could create a video for those in isolation, fundraise for a local cause, bake cakes for neighbours or write letters to older members of the community who may feel isolated.

GENEROSITY

In the context of kindness, being generous with our time, resources and words can provide a low-cost approach to helping others. A generous act is accessible to all. Giving compliments, for example, are a well-researched way of creating a sense of wellbeing and positivity in a community at school or with family. It helps us to recognise the positivity in others as we actively choose to notice and comment on what is valuable and meaningful in someone else. When compliments are given regularly, consistently and with meaning, the community benefits are far reaching!

GIVE TO GIVE. NOT TO RECEIVE

Sometimes when we are kind there is no payback, which can make it more difficult to keep being kind. Our natural reaction is to shrink back and withdraw our kind act, feeling frustrated that it has either not been reciprocated or that it has not been valued. This is probably one of the most difficult concepts for children to understand and where the 'random acts of kindness' approach is helpful. If it is a random act then it is 'just because' and for no other reason than a one-off act for someone.

HOLDING OTHERS IN MIND

By holding someone in mind we show that we have been thinking about them and that they matter to us. This act of kindness is so important now, more than at any other time, due to isolation. A simple text to say 'I saw... on the telly last night and it made me think of you' or a quick call to say 'I was just thinking about you yesterday and was wondering how you're doing?' can mean so much. We probably all do this naturally as part of showing kindness and care to others, but perhaps may not appreciate the importance of this for wellbeing.

KINDNESS WITH CAUTION

There is a very helpful analogy that is used when we are in an emergency, 'we should put our own oxygen mask on before putting on someone else's'. What's helpful here is that giving to others can often improve our mental health and wellbeing. However, there are times when helping others can create stress or overwhelm us. This is sometimes called 'compassion fatigue'. So, we must balance our own wellbeing with the wellbeing of others. We should notice if we start to feel resentful or negative or if we start avoiding others, have difficulty concentrating or start experiencing unusual sleep patterns. If this happens it's a good time to take a break or ask someone for help or support.

COMMUNITY

When we help others in our community, it improves our wellbeing by helping us to feel less isolated as we connect with others. When we show kindness, it is something which we feel we can control, particularly when things may feel a bit chaotic and unusual. Helping others can often give us a different perspective on our own challenges and our own problems. Peer support, for example, is often overlooked as an important part of improving wellbeing. Older students can often greatly benefit from sharing similar, shared experiences and can offer a level of empathy and understanding that adults may not be able to.

'KINDNESS IS A SILENT SMILE. A FRIENDLY WORD. A NOD OF ENCOURAGEMENT. KINDNESS IS THE SINGLE MOST POWERFUL THING WE CAN TEACH CHILDREN.'

RA KATVIST

This guide has been written by Anna Bateman. Anna is passionate about placing prevention at the heart of every school, integrating mental wellbeing within the curriculum, school culture and systems. She is also a member of the advisory group for the Department for Education, advising them on their mental health green paper.

READ to the BEAT

The **Summer Reading Challenge** is an annual challenge run jointly by The Reading Agency and public libraries. This year the challenge is **Read to the Beat**, all about being musical and ties in with the National Year of Reading 2026.

It runs **Friday 17th July to Saturday 5th September 2026**.

Children are encouraged to read whatever they choose for the challenge, recognising the importance of reading for pleasure in increasing empathy and improving well-being, as well as in children's educational success. The theme this year is all about music! Children will be able to find books linked to their favourite creative arts, and access activities at the library.

The Challenge

- ❖ Children must be members of the library service. [Join the library here](#) or go to your local library.
- ❖ The challenge invites children to read six library books or more during the summer holidays.
- ❖ Children can borrow books or read our e-books, magazines and audiobooks available on our BorrowBox and PressReader app. [More about e-resources](#)
- ❖ Families can sign up for the challenge at any library, at any stage in the summer from Friday 17th July.
- ❖ Children are awarded a certificate and a medal for reading 6 books.
- ❖ Children completing the challenge (6 books) will be entered into a lucky dip at their library for the chance to win a £40 voucher for The Works to buy arts, crafts and books.

Struggle with reading?

We can help!

- ❖ For dyslexia, we have collections of shorter books, with special fonts and paper – and great stories.
- ❖ The BorrowBox app has special accessibility features, which allow customers to select font, background and font size.
- ❖ Picture books aren't just for toddlers! Libraries have collections of older picture books for young readers.
- ❖ Get hooked on graphic novels (comic style books).
- ❖ Learning to read? Select from beginning to read or short chapter books
- ❖ Booklists with lots of ideas available on our Virtual Library [Books and Reading - Children and Teenagers Pages](#)
- ❖ Some children (especially boys) prefer non-fiction. Dinosaurs, transport and space are particularly popular.
- ❖ Enjoy stories through audiobooks. Free to borrow on CD or download with BorrowBox.

All libraries will have [activities](#) for children available throughout the summer.

All libraries offer a **Treasure Hunt** to children when they complete the reading challenge
