

POTTON PRIMARY SCHOOL

Newsletter 10th July 2026

From the Headteacher

Dear Parents/Carers,

What a great week we have had at Potton Primary this week.

As we head towards the end of the academic year there have been lots of performances and events happening throughout the week.

On Tuesday and Friday this week we welcomed parents/carers into school to watch our Rocksteady bands perform. These events are always amazing and judging by the performances this week we definitely have some stars in the making!

On Wednesday this week children from our Year 3 classes went to Shuttleworth to take part in the Inspiring Music's "Something for Summer" concert. Unfortunately, I was not able to attend the event but I have heard from Mrs Clarke, Miss Grinstead, Miss Hurst and Mrs Willbond how amazing the children were. I was lucky enough to hear the children practising in the hall this week and from what I heard they would have been fantastic!

On Thursday we had our transition day where the children spent the day in their new classrooms and with their new teachers for September. Your child should have come home with a slip of paper showing which class they will be in and what teacher/teachers they will have. If you have not received this please let the school office know.

Next week we have lots of events and activities taking place so please take some time to look at the diary dates section on this page so you are aware of what is going on.

Finally, a reminder that tomorrow is our PTFA Summer Fayre from 12:00-4:00pm. The PTFA have been working hard getting the event organised and there will be lots of fun to be had during the day. I hope that as many of you as possible are able to attend this event where we are hoping to raise enough funds to purchase an o new outdoor learning pod for our EYFS classes.

The school carpark will be open but can I please ask that you park considerately and ensure you are not blocking the entrance/exits so we can ensure that if there should be any need the emergency services are able to get in and out safely and swiftly. Thank you for your continued support.

Wishing you all a lovely weekend.

Kindest regards
Miss J Watts
Headteacher

READ to the BEAT

Summer Reading Challenge 2026 Newsletter

The Summer Reading Challenge is an annual challenge run jointly by The Reading Agency and public libraries. This year the challenge is Read to the Beat, all about being musical and ties in with the National Year of Reading 2026.

It runs Friday 17th July to Saturday 5th September 2026.

Children are encouraged to read whatever they choose for the challenge, recognising the importance of reading for pleasure in increasing empathy and improving well-being, as well as in children's educational success. The theme this year is all about music! Children will be able to find books linked to their favourite creative arts, and access activities at the library.

The Challenge

- Children must be members of the library service. Join the library [here](#) or go to your local library.
- The challenge invites children to read six library books or more during the summer holidays.
- Children can borrow books or read our e-books, magazines and audiobooks available on our BorrowBox and PressReader app. [More about e-resources](#)
- Families can sign up for the challenge at any library, at any stage in the summer from Friday 17th July.
- Children are awarded a certificate and a medal for reading 6 books.
- Children completing the challenge (6 books) will be entered into a lucky dip at their library for the chance to win a £40 voucher for The Works to buy arts, crafts and books.

Struggle with reading? We can help!

- For dyslexia, we have collections of shorter books, with special fonts and paper – and great stories.
- The BorrowBox app has special accessibility features, which allow customers to select font, background and fontsize.
- Picture books aren't just for toddlers! Libraries have collections of older picture books for young readers.
- Get hooked on graphic novels (comic style books).
- Learning to read? Select from beginning to read or short chapter books
- Booklists with lots of ideas available on our [Virtual Library](#)
- Some children (especially boys) prefer non-fiction. Dinosaurs, transport and space are particularly popular.
- Enjoy stories through audiobooks. Free to borrow on CD or download with [BorrowBox](#).

All libraries will have activities for children available throughout the summer.
All libraries offer a Treasure Hunt to children when they complete the reading challenge
